

Answer #1.  
17,615 Districts

Answer #2

17,616 Districts

Answer #3

This is because there are single characters that the cp1252 can see that need to be translated into common text in the US.

Answer #4  
18843

Answer #5

In the CDRC Dataset, many charter schools, academies, correctional schools, and tradeschools were not included due to having independent LEAs.
